

PRAYER & PRAISE

NEW THIS WEEK:

Kathie Button Please pray for my sister's precious 3 year old granddaughter, Liv. She has a very rare and fatal brain disease called Sanfilippo Syndrome, also known as childhood Alzheimer's disease. Their family recently moved to California so Liv can take part in a new clinical trial. All of this has been, and will continue to be, very difficult on the family.

The GreenHouse mission trip team arrived home safely from Houston last weekend - thank you for your prayers. Please pray that the students will continue to have servant hearts here in Michigan. Also, pray for the salvation of an individual they served named Paul, who has started attending church.
