HIS-STORY—Part 4

Mark Kring, Senior Pastor
February 2 & 3, 2019

Seven Covenants of God

ADAMIC

- Addressed God's provision for the original sin/separation of Genesis 3:15

-

NOAHIC

- Between God and humanity (in general), and between God and Noah (specifically)
- Two stages: a) God would preserve humanity through Noah, while at the same time annihilating the planet with a global flood; b) After the flood, God committed not to destroy creation through a flood again and gave the rainbow as the sign of His covenant.

ABRAHAMIC

- God promised a) that He would make Abraham's name great (Genesis 12:2) (this is a direct reference to Jesus); b) that Abraham would have many descendants (Genesis 13:16); c) that Abraham would be the father of a nation(s) (Genesis 17:4-5).
- God also made promises regarding Israel's geographical boundaries.
- Abraham was not told how God would do it, just that God will do it!

PALESTINIAN/LAND

- Deuteronomy 30:1-10—This covenant amplifies the land aspect: If the people disobeyed, God would cause them to be scattered around the world (v3-4), but He would eventually restore the nation (v5). When the nation is restored, then they will obey Him perfectly (v8), and God will cause them to prosper (v9).

- DAVIDIC

- NEW

- This is the contract God made that states that He will forgive sin and restore relationship to those whose hearts turn to Him.
- The mediator of the New Covenant is Jesus; His death is the core of the contract (Luke 22:20; 1 Corinthians 11:25).
- Entering the New Covenant is possible only by faith in Christ, who shed His blood to remove the sins of the world (John 1:29; Ephesians 2:13).
- The amazing benefit for all who believe is that we are no longer under the Law but under Grace (Romans 6:14).
- Under the New Covenant, you are given the choice to receive forgiveness as God's free gift (Ephesians 2:8-9).
- Our responsibility is to exercise faith in what God has revealed.
