

PRAYER & PRAISE

Gene & Debbie Wright Please pray for Debbie who was taken to the ER Sunday night due to complications from the flu. She is recovering at home now.

Joyce Robinson Please pray for my husband Mark, who is having cataract surgery, and needs prayer for a good outcome, and for the Lord to bless the surgeon's hands.

Sherry Dunham Thank you, New Hope Prayer Warriors, for your continued prayers for my mother Betty. She just had her 3 month CT scan for her "aggressive" cancer and it hasn't grown at all, so she's still holding at 80%. We praise God for every day with her; we are so blessed!

Sue Boutni Please pray for my brother, Luke, whose wife passed away unexpectedly this week.

Dave & Debbie Armstrong Please pray for our family, as Dave's father passed away on Jan 20th.

Kim Wiseman appreciates prayer for her and her family as she recovers from extensive surgery for cancer.

Pat Lipsey is asking for prayer; the doctors found cancer and she will begin treatment soon.

Annie Richards We are praising God for a clear CT scan! We are also thankful for the safe arrival of our daughter's family to UAE. Please pray for her transportation needs and connection to a local church.

Carol Patterson is requesting prayer for her recovery from a fall that resulted in hospitalization due to three broken ribs, a sprained neck and other injuries.

Tim & Becky Lowe request prayer for Tim's brother, Matt, who has recurring brain tumors which are no longer responding to chemo. Pray for quality time with his family.

Carol Patterson is requesting prayer for her recovery from a fall that resulted in hospitalization due to three broken ribs, a sprained neck and other injuries.
